

An architectural rendering of a modern building with a faceted, metallic facade. The building is viewed from a low angle, emphasizing its height and sharp angles. The sky is a clear, bright blue. In the foreground, there are some trees, a sidewalk with a few people, and a road with a car. The overall style is clean and professional.

ESG PRINCIPLES

THE 207 OXFORD DEVELOPMENT

Visually, this sophisticated building creates a powerful impact with its flush glazed and stone clad facade. Positioned on the exclusive Parks Boulevard address road, this building is a showcase within the Precinct and allows for majestic views across Johannesburg's urban forest. Balconies and outdoor spaces will be available on select floors and larger outdoor gatherings can be accommodated on the rooftop entertainment area that will be available to all tenants. Secure basement parking creates ease of access into the building, where a triple lift bank will conveniently carry passengers directly to their required floor level. Upon entry into the office floors, users are greeted with natural light, generous floor to soffit height and exceptional base build finishes. This modern building encompasses architectural flare, green building efficiencies and adaptability.
